

Will you help us out?

Saturday, January 21, 2017

Dear Fellow Progressives:

2018 is upon us! There has already been a special election in Senate District 10 where Democrat Patty Schachtner won in a Republican district thanks to a ton of hard work by scores of people. A crucial Wisconsin Supreme Court primary looms ahead of us on February 20th with the two remaining candidates facing off in April. And that April 3rd election highlights countless local county, city, village, town, and school board candidate choices as well.

And, of course, the race for Wisconsin's next Governor has garnered over a dozen Democratic candidate hopefuls already. And, we also have the crucial task of re-electing Tammy Baldwin as Wisconsin's foremost Senator. We have much to do! And we need your help to do it!

Our goal this year is to engage others, one on one, one by one, to stand up for our Democracy and defend our civil rights. We have already been working at that this past year. And we must also rally around each other supporting and nourishing all the good we see amongst us. Good will triumph!

That is what we plan to do here in Chippewa County. But we need your help and we need your commitment. Our annual office fundraiser has just begun. It is essential to maintain our office where new (and old) activists can meet and plan and do. We will not sit idle, so your generous donation is an essential step in promoting our work here in Chippewa County.

Can you make a donation today? Our goal is to raise \$5000. That will ensure we can pay the rent and have the funds to do what we know we must do.

Please donate to the Democratic Party of Chippewa County today!

Thank you for your help!
